*Hi..... I'm Natalie*

We love having dogs in our home, and we've cared for so many wonderful furry companions through AJ's Pet Hotel. This service has been incredibly rewarding, not just for the dogs but also for my husband, who found joy and purpose in caring for them after a mental breakdown two years ago. Each dog is treated as part of our family, with plenty of love, playtime, and attention.

Our home is a warm, welcoming space where dogs feel safe, loved, and cared for. We go above and beyond to ensure their time with us is full of cuddles, playtime, and attention. From long walks to cosy evenings snuggled up, we cherish every moment we spend with our canine guests

A kind review from Leo's owner, Sarju, says it all: "I just wanted to say that Natalie was amazing. She kept me updated with Leo, and I was very happy."

I hope to meet you soon :)
